

5320MF

TECHNICAL DATASHEET

EN

DESCRIPTION

- Excellent cut resistance
- High dexterity for precision work
- Excellent resistance to abrasion
- Protection against mechanical risks
- Suitable for heavy work
- Suitable for work in greasy and oily environments

CHARACTERISTICS

Type:	Cut resistant glove
Cut resistance level:	F
Liner material:	HPPE Steel Glassfiber Spandex Nylon Polyester
Colour:	Black/White/Red
Gauge:	13
Coating:	Nitrile foam
Coating style:	Handpalm
Colour:	Black
Reinforcement:	Thumb

SIZES

Available in sizes:	8-11
---------------------	------

FIELDS OF USE

- | | |
|-------------------|-----------------------|
| - Construction | - Automotive industry |
| - Manufacturing | - DIY |
| - General purpose | - Metallurgy |

PRACTICAL INFORMATION

Packaging method:	Individually packed
Pairs per polybag:	1
Pairs per bundle:	12
Pairs per outer carton:	144
Shelf life (months):	60
